

# The Pony Express

March 2005

## Club Meeting Notes

The club had our most recent meeting on March 3. The following business items were discussed:

**Bank Account** - We're setting one up for the club at 5 Point Credit Union in Lumberton. We need to have a taxpayer ID # along with a copy of our by-laws. Marty will email a copy to Ron. Application for the ID# has been filed with the IRS.

**Mustang Club of America** - The attendees voted to petition MCA for charter as a regional club. We will need a geographic map of our club territory. Todd Quick was nominated for the position of Regional Director for the club. We will compose a letter to MCA stating our interest in becoming affiliated and submit it for consideration.

**Dues** - We need our members to remit dues for 2005 to the club treasurer, Derek Peaster. (140 Sarah Lane Lumberton, TX 77657)

**Pony Drive 2005 Mustangs** - FORD has really disappointed it's fans. They have cancelled the program to allow Pony Drive participants to watch their new Mustang being manufactured, which was purchased at X plan pricing. Over 100 families had planned on buying their '05 through this unique opportunity, including Bob and Marty Jones. This is a very last minute and abrupt decision by Ford, which has angered many. Details can be found at [www.ponydrive.us](http://www.ponydrive.us).

**Kinsel Ford** - [Our sponsor](#). They now have new convertibles on the lot! The first one was sold 3/3/05!

Congratulations to Cindy Yohe of Kinsel's. Cindy's son, Christopher, recently graduated from the US Marine Corps Recruit Training Depot at Parris Island S.C. While there he received a

meritorious promotion to Pvt 1<sup>st</sup> Class. He will be stationed in North Carolina.

**Delta Downs Show** - The Cajun Mustangers have invited us to join them for a show at Delta Downs. The show will be from 3 - 6 pm on Saturday, March 12. They will provide door prizes and other goodies. The show will mark the last day of Delta Downs 2005 Mustang Give-Away. They would like for us to arrive at 2:15. If you plan to go you can meet the group at the Aflac office at 1:00 or just meet us there.

### **April Driving Event?**

We are considering a drive to the Hill Country as a weekend get away. Let Bob and Marty know if you are interested. Tentatively planned for April 9-10. Or if you have other ideas, float them around.

**Mustangs and Music** - Jadell and Carol Burkhart were going to investigate some of the options presented by the Old Liberty Theater for a driving event/'50's concert music in the future. There is a restaurant there and shows are usually held at 2 & 7 pm.

**Website** - Our resident webmaster, Kevin Grinnel has been working towards creating and updating our website. When you get a chance, take a look at it so far. [www.wildhorsemustangclub.com](http://www.wildhorsemustangclub.com)

**Promo literature** - The club is going to look into having business cards printed up with club info to handout to prospective members. These can usually be had relatively inexpensively for a box of 250.

**Banner** - Bob Jones will approach Kinsel's to see if they will fund construction of a vinyl sign banner for the club to use at various events we have. Tentatively planning a fall All-Ford show at Kinsel's.

<p>Our next club meeting will be Thursday, April 7, at the Aflac office in Lumberton starting at 7:00pm. The Aflac office is on Hwy 96 in the same building as the Five Point Credit Union. If you need directions, call Bob or Marty Jones at 751-3522.</p>
