## Raindrops Keep Falling on my Head

The 2<sup>nd</sup> Annual WHMC All Ford show was held on May 6<sup>th</sup> at Kinsel Ford in Beaumont. By all accounts the show was a success once again. Things began on an auspicious note with a rather nasty line of thunderstorms traveling through the area between 7 and 9 am. For those doing setup, we got pretty wet trying to hold the tents down and Bob racked up some miles going back and forth to Wally World for tarps. Around 10:00am the skies cleared up and the cars rolled in. There were around 30 cars of various colors that came out like the shades of a rainbow. We had Mustangs from '64½ to '06 models. We had a good mix of other Ford iron on hand also. Tony and BK even had a Ford in the show! They had been keeping that under wraps from Ron since March as a surprise. Once again the show was a participant judged event and this format seems to work well. We gave out a lot of great door prizes to the participants. Thanks to everyone who donated gifts for the show. The biggest "prize" of the day was actually a 2 door prize. Bob and Barbara Davenport caught a fever during the show and fell in love with a new Mustang on the showroom floor and had to take it home with them. We ran a 50/50 jar (Thanks to Rachel Roth!) and proceeds of \$150 went to Carroll Shelby's Children's Cancer Foundation. Tony Cormier had the winning ticket. The food was excellent once again this year. The Tyler County Go-Texan Grillers played a return engagement and fired up some spicy breakfast burritos for those of us out there early and kept everyone in burgers and Cokes for the rest of the day. They were raising funds to help support scholarships from their organization and had a good day. We would like to thank Kinsel Ford for sponsoring our show and they appeared to be quite pleased with how the event turned out. Derek Peaster took quite a few photos during the show and they are posted at the following website address: <http://s8.photobucket.com/albums/a23/OUFan22/2ndAnnualWHMCShow5-6-06/?start=all>

While there are no mustangs so far, there are some pretty wild cars to look at here. Most are in various states of disrepair due to some sort of owner foolishness involving more horsepower than brainpower.

### **I'll take what's behind door #1**

Those folks who were present during the early morning hours of our show got a special treat. Around 8:30 when the storms were starting to break up, a somewhat nondescript semi stopped in front of Kinsel Ford. The driver got out and slowly lowered a tailgate ramp into position. A curious club member walked out there and peered into the truck and gave the group hiding from the rain a serious "thumbs up". That brought the troops running to the street to watch (help?) the unloading of what turned out to be a brand new Ford GT supercar in tungsten grey. Deeper

examination of the truck showed 2 more GT's hidden inside for delivery to other locations. The new toy did not stay exposed long before it was shuttled off into the back depths of the dealership to await its new owner. If you have a spare \$200K lying around, you too can own one of these beauties before inventory has been depleted since Ford has discontinued production.

*Is that drool or raindrops on Johnny's face? Or maybe tears?*

## Club Meeting Notes

The club's last meeting was on 5/4/06 at LoneStar Steakhouse in Beaumont. The meeting attendance was phenomenal! We packed the house. Marty was working the room for tips. Great Job.

### Show Update

Bob Davenport brought along the sponsor appreciation plaque that we will give to Kinsel.

We have asked Cindy Yohe of Kinsel for \$1000 towards the show for trophies, dash plaques, etc.

Kinsel will be providing advertising on radio and TV for the show.

The cruise originally scheduled for May 27 to the Stingaree was canceled due to it being a holiday weekend.

**Our next club meeting will be Thursday, June 1, at Elena's Mexican Restaurant on Phelan in the Colonnade in Beaumont at 6:30pm**
