June 2007

3rd Annual WHMC Car Show May 19th 2007

The WHMC held our 3rd annual car show at Kinsel Ford and it only continues to get better. This year the weather was much more cooperative and brought out many fine rides to the Kinsel lot. We had 50 entries, with a growing late model showing. There were only a couple of 65-66 cars, with a larger contingent in the 69-70 bracket. The Fox generation was lightly represented, but the SN95 & SN-197 cars made up a large part of the Mustangs. We had a good ensemble of non-Mustang Ford products that drove in. There were some fine rides represented and provided a great cross section of Blue Oval manufacturing history.

Some may not know, but we had a special visitor who flew in from Canada just to photograph the cars at our show for a documentary book on the Mustang. Ron Woods met him at the Oklahoma national show. We have contacted him to get info for when the book is published for those interested. The DJ services provided were excellent and helped rock the lot all day. The T-shirt prep on site was a great idea that was well received. Tyler County Go-Texans kept everyone fed and watered once again. They cook up some good burritos and burgers. Trophies and 50/50 were awarded early in the afternoon to cap the day.

We would like to thank Kinsel Ford for all their help and sponsorship of the show. We could not do it without them and they are a valued partner in this. Thanks to all the club members who came out to help clean up before/after the show, along with help during the show. Ron Woods did a fine job as show chairman. Everyone who attended had a great time and there was only one minor grumble, which Ron Roth helped smooth over.

The club will be donating a portion of the proceeds once again to the Carroll Shelby Children's Foundation.

See the next page for show award results.

Best Engine	Jason Shaw 99 Mustang GT		
Best Paint	Miranda Bailey F150 Lightning		
Kinsel Choice	Donnie Tipton, 1969 Mustang Convertible		

Auto Air Conditioners

Here is something you car buffs probably didn't know. The three Goldberg brothers, Norman, Hiram, and Maxwell invented and developed the first automobile air-conditioner.

On July 17th, 1946, the temperature in Detroit was 97°. The three brothers walked into old man Henry Ford's office and sweet-talked his secretary into telling him that three gentlemen were there with the most exciting innovation in the auto industry since the electric starter.

Henry was curious and invited them into his office. They refused and instead asked that he come out to the parking lot to their car. They persuaded him to get into the car, which was about 130°, they immediately turned on the air-conditioner and cooled the car off immediately.

The old man got very excited and invited them back to the office, where he offered them \$3 million dollars for the patent.

The brothers refused, saying they would settle for \$2 million but they wanted the recognition by having a label "The Goldberg Air-Conditioner" on the dashboard of each car that it was installed in.

Now old man Ford was more than just a little arrogant, and there was no way he was going to put anyone else's last name on 2 million Ford cars. They haggled back and forth for about 2 hours and finally agreed on \$4 million dollars and that just their first names would be shown.

And so, even today, all Ford air-conditioners show on the controls, the names "Norm, Hi, & Max".

Now I'll bet you didn't see that coming!!

Member News

Welcome New Members!!!

Jackie Hughes of Beaumont

James and Brenda Lawson of Orange

Jim and Leona Underwood of Nederland

Frank and Suzie Wallace of Orange

On a recent PINKS ALL OUT on SPEED TV, Heather Brown was seen at Houston Raceway Park, on one of her qualifying runs. Unfortunately she was not picked as one of the 16 finalists. Or maybe, fortunately she didn't have to give up her ride.

Bill Linker has parted with his 64 ½ Convertible. Our condolences go to Bill. You will always have your memories.

Congratulations to the Peaster Family on the birth of Dawson on June 7.

And Congratulations to the Vaughn's on the "birth" of their new Roush 427R!

Trip to Kemah

Dateline: 6/10/2007 Reporter: Ron Woods

We had seven mustangs make the trip to Kemah, on June 9th with 18 members. The group ate at Landry's. Food and service was great and view from the second floor was excellent watching all the boats coming and going. After the large feast some of the group still had room for desert. Then the ladies decided it was time to shop and walk off the meal and deserts. The men retired to the shade on the boardwalk to people watch and had a serious discussion on many important topics from the economy to mustang items in general. After about two hours, the ladies had shopped out and were ready to head home. I think all had a great time and are ready to plan another trip in the near future to let the ponies run again.

Upcoming Mustang Events in Detail

June 30 - July 1, 2007

Club Meeting Notes

The club had the last meeting on June 7 at Ryan's All You Eat Dining Bonanza. There were 28 members in attendance.

- Our new Kinsel Sales Rep, Don Collins joined us. As a surprise for the group he brought several sets of tickets to the Beaumont Drillers. These were given away during the meeting.
- Don explained other specials just for club members. We will receive 15% off on parts and employee pricing on new vehicles. Kinsel will be provided a list of club members.
- We reviewed the club show results
 - We turned a net profit of \$1550.
 - We approved a donation to the Shelby Foundation of \$250.
 - The floor was opened for comments: likes and dislikes to think about for next year's show.
- We discussed upcoming events - which included the trip to Kemah two days later.
 - We chose August 18th as the date for an indoor show/display at Parkdale Mall. We discussed purchasing door prizes to reward attendees.
- A reminder, club shirts can still be purchased from Jubi Prints in Vidor. Contact them or Ron Woods for details.
- We also discussed the possibility of a open show at Kinsel for the fall.

Our next club meeting will be Thursday, July 12th (Skipping the 1st Thursday due to the holiday) at Olive Garden in Beaumont at 6:30pm.
