4th Annual Wild Horse Mustang & Ford Show @ Kinsel Ford

The WHMC held our 4th annual Mustang and Ford show at Kinsel's on May 17th. We had 43 cars entered in the show, representing a lot of high quality Ford iron through the years. There were many exceptional cars and the judging was quite difficult. The specialty late model cars have become quite popular and the "N" class was full.

Kinsel's did a great service to the club by setting us up in front of the dealership and our thanks go out to them! The weather wasn't entirely cooperative, as some light sprinkles did descend on the crowd but not enough to dampen anyone's spirits. The Tyler Co. Go-Texan bunch cooked up some good eats once again. They make a mean breakfast burrito if you have not tried them. Our DJ, Donna Marx, kept the crowd entertained with trivia questions and a fine selection of music to keep everyone's toe tapping through the day. The t-shirt design was a winner once again. Great job Ronnie!

We were able to raise money for charity through the sale of 50/50 tickets and silent auction donations. Thanks to everyone that donated door prizes and auction items to the club. The club did generate some proceeds from the show and a \$750 donation will be made to Carroll Shelby's Children's Foundation in our name. We took a bunch of pictures and we will try to work out a way to get them to the website.

Thanks to everyone who came to the show, or was able to help out in some way. We hope to be able to do this again next year, but only bigger and better. Once again thanks to all our show sponsors. Ron Roth drafted a nice thank you letter to Craig Kinsel which he passed around at the last club meeting.

Member News

Ken Babin continues to work on his '69 Mach 1. He has had to do a complete motor rebuild. Kinda' like pulling on a loose sweater string.

[The Quick's Saleen is in primer now down at Tony's Kustom in Pt. Arthur.](#)

Ron Roth has a new job and thanked everyone for their thoughts and prayers while he was off.

[We hope Bob Davenport is feeling better. Last we knew he had been under the weather some.](#)

Melvin Baker has been working/reworking on some new ground effects for his car.

Another One Gets Away

We recently met a gentleman from Vidor who was a Mustang fan. We had lost power in a recent thunderstorm and he was with the Entergy crew putting the lines up in our backyard. He noticed our collection and struck up a conversation about old mustangs. Turned out he knew several of our club members and other enthusiasts in the area. We talked for some time before he happened to mention what it was he owned, but recently had sold. He had sold an original, numbers matching, 1969 Mustang Boss 429 to a man in Houston. He said he had owned it for many years, but had never quite gotten around to fixing it up. Once his wife found out the potential value of the car, on the block it went. Even though these cars are out of reach anymore of the regular guy, it just goes to show you what may be lurking around in a garage or barn in the Southeast Texas area. Who wouldn't love to find a piece of history at an affordable price to fix up and squire about.

For The Guys

You are in the middle of a Mustang project. You are hot and sweaty. Covered in grease. You have your old work clothes on. You know the outfit, shorts with the hole in crotch, old t-shirt with a stain from who knows what, and an old pair of tennis shoes.

Right in the middle of this great project you realize you need to run to Wal-Mart to get something to help complete the job. Depending on your age you might do the following:

In your 20's: Stop what you are doing. Shave, take a shower, blow dry your hair, brush your teeth, floss, and put on clean clothes. Check yourself in the mirror and flex. Add a dab of your favorite cologne because you never know, you just might meet some hot chick while standing in the checkout lane. You went to school with the pretty girl running the register.

In your 30's: Stop what you are doing, put on clean shorts and shirt. Change shoes. You married the hot chick so no need for much else. Wash your hands and comb your hair. Check yourself in the mirror. Still got it. Add a shot of your favorite cologne to cover the smell. The cute girl running the register is the kid sister to someone you went to school with.

In your 40's: Stop what you are doing. Put a sweatshirt that is long enough to cover the hole in the crotch of your shorts. Put on different shoes and a hat. Wash your hands. Your bottle of Brute Cologne is almost empty so you don't want to waste any of it on a trip to Wal-Mart. Check yourself in the mirror and do more sucking in than flexing. The spicy young thing running the register is your daughter's age and you feel weird thinking she is spicy.

In your 50's: Stop what you are doing. Put a hat on; wipe the grease off your hands onto your shirt. Change shoes because you don't want to get dirt in your new Mustang. Check yourself in the mirror and you swear not to wear that shirt anymore because it makes you look fat. The cutie running the register smiles when she sees you coming and you think you still have it. Then you remember the hat you have on is from Buddy's Bait & Beer Bar and it says, "I Got Worms."

In your 60's: Stop what you are doing. No need for a hat anymore. Hose the dog poo off your shoes. The mirror was shattered when you were in your 50's. You hope you have underwear on so nothing hangs out the hole in your pants. The girl running the register may be cute but you don't have your glasses on so you are not sure.

In your 70's: Stop what you are doing. Wait to go to Wal-Mart until they have your prescriptions ready too. Don't even notice the dog poo on your shoes. The young thing at the register smiles at you because you remind her of her grandfather.

In your 80's: Stop what you are doing. Start again. Then stop again. Now you remember you needed to go to Wal-Mart. Go to Wal-Mart and wander around trying to think what it is you are looking for. Fart out loud and you think someone called out your name. You went to school with the old lady who greeted you at the front door.

Club Meeting Notes

The club had the last meeting on 6/5/08 at Sanderson's in mid-county. We had a good turnout and ate some great food.

- The Club has \$4,300.14 in the treasury. We grossed around \$2500 from the show before expenses. We agreed to donate \$750 at this time to our charity as this is approximately the take from the 50/50 and silent auctions. We may look at another charitable donation later in the year.
- We discussed many upcoming events, listed elsewhere in the newsletter. Special mention for the Bringin' Back Memories show and the Cruisin' Kirbyville.
- **Upcoming Local Events**
 - Saturday June 21 @ Crockett St. in Beaumont– Bill Linker is putting on a car show to benefit the Humane Society of Southeast Texas. Come on out and enjoy the fun. Bill always does a great job with his shows. Good food and good music.
 - Club driving event is tentatively set for a cruise to Steve's Landing, at Crystal Beach on June 28th. Those going will meet at the Shell station at Walden road exit by Pappadeaux's at noon. Please RSVP to Ron Woods if you plan to go along. rwoods@gt.rr.com or 781-4948
 - Ron Roth is working on plans for a Parkdale Mall show during August. He spoke with the PR lady at Parkdale and there are two Saturdays open in August. Neither one of these is the tax free weekend. August 23rd or 30th. Just to refresh your memory; we drive the cars in the mall around 8:00am and we drive them out after the mall closes at 9:00pm. We also have to provide a \$1MM liability insurance policy, which cost the club around \$200.00. That is our only expense. The mall will take care of advertising. Please let Ron know what you want to do, so he can reserve a date. rondon2225@sbcglobal.net or 751-0447
 - Hot Summer Nites is coming up in August the weekend of 9-10. Save the date and the club will be out in force.
