MCA Celebrates 30th Anniversary In Style

Mustang Club of America and the local Birmingham club put on a great event at the new Barber Motorsports track. Don't ask us how many cars were there because we haven't heard an official number, but there were enough to keep us on our feet for three days.

The Quick's and the Vickery's caravanned together to Alabama for 10 long hours. If anyone else from the club was there, sorry that we missed you.

Rocky decided to test his Cobra on the track, rather than in the show ring. His wife Kendra was watching to encourage him in his first track outing, "Pass him!" For his fee he was able to run multiple times for the full day on a fantastic course. With the parking areas arranged on the hill side, we had a great view of almost the entire track.

Rocky Vickery Takes on the Track

The Quick's showed their modified '69 Mach in the Judge's Choice show and were pleased to bring home a trophy. Needless to say, there were many beautiful cars of all vintages, including several of the new 2007 Shelby GT500's. The number of one-of-a-kind was also very impressive. '72 Sprint Mustang's, '68 California Specials, '64, '79, and '94 pace cars, '78 Monroe Handler, High Country Specials, and plenty of Boss cars – 302, 351, and 429's

Unique Performance Fest Returns

Unique Performance of Farmers Branch, TX, builders of the Eleanor Mustang, announced the return of their annual car show on October 14, 2006. Chip Foose will be making an appearance and Carroll Shelby is also invited. The festival will feature classic, current, and custom cars, as well as motorcycles, racing displays, vendors and celebrities. The event includes access to the plant, which builds Shelby continuation and Foose edition muscle cars at 13950 Senlac Drive in Farmers Branch, near Dallas. See www.uniqueperformance.com for details.

The club will be staying at the Fairfield Inn Dallas North located at 13900 Parkside Center in Dallas. Call 972-661-9800 for reservations. We are tentatively planning for the caravan to meet in Lumberton at 4:30 on Friday. Please contact Bob Jones or Sue Quick if you'd like to join the caravan.

Wild Horses Attend Hot Summer Nights

The big winners at this year's show were not the class trophies, but rather club members that did not even bring a car! Derek Peaster and Donnie Tipton are working on their rides, but entered the show to get in on the door prizes (don't tell anyone). Derek was *hog wild* to win a bicycle for his kids. And the big winner was Donnie, who won the new engine. It was a Chevy motor, but you won't find that in his '69 Stang. It's already been claimed for his son's truck.

Club Meeting Notes

Our September meeting was at held at the lovely home of Ron and Kathy Woods in Vidor. The weather was beautiful for an outdoor picnic, and we had a full moon for effect. The food and fun was excellent. Ron Woods displayed his talents at the BBQ pit. The sausage was very tasty and grilled to perfection. For those that still had room, there was a plethora of fine desserts to top off a good meal. We voted that all future meetings also be held there, but the Woods' graciously declined. Big thanks to Ron and Kathy for hosting our meeting.

We had some new members come out for the meeting, including Allison Pierce of Kountze, who joined that very day. The Flanagan's of Lumberton also attended the meeting with their '06 Saleen.

Topics we discussed following dinner include:

- Club treasury stands at \$1321.50. We need to reimburse the Woods' for the meats.

- Results and events of the Birmingham MCA show.
- Ron W. put in the order for club shirts after the meeting.
-
- Cruisin' Silsbee Show in September
- Cajun Mustangers show at Shetler Ford in Sulfur, LA on October 7
- Vidor Main Street cruise on September 30th
- Car Show in "old town" Spring, Texas on September 23 & 24th
